## SKU : PIX50BRI

KEY FEATURES

- 50 RGB Pixels - 5V - TLS3001 (12 bit)
- 2 Year warranty - engineered for high durability
- Waterproof IP68 rated connectors
- Fast setup time when paired with Advatek's weatherproof PixLite series
- High speed camera safe (1000+ Hz PWM rate)

PHYSICAL

Mounting LED Diamenter	12mm/0.5"
Mounting Drill Hole	12.5mm
Mounting Plate thickness	<2mm
Leader cable length	2m/6'7"
Length	5m/16'4"
Pixel to Pixel Cable Length	100mm/4"
Weight	0.4kg
Wire gauge	18AWG
Operating temp	-40°C to +80°C
Connector: Advatek 4 pin Female Waterproof	IP68

Units: mm

2 year Warranty
